

**Circular Economy and Green Energy
Transition towards Transforming
Regions and Future Proof Communities -
Case of Multisectoral Coolgardie
Regional Transformation Alliance for
Achieving the Climate Change Mitigation
and the SDGs**

James Trail – CEO, Shire of Coolgardie
Hemant Chaudhary – Founder and ED, Circular
Economy Alliance Australia

Presentation Overview

- About us – Shire of Coolgardie and CEAA
- Why multisectoral collaboration is critical for circular economy?
- The crucial role of regional government in future proofing mining communities, SDG's and circular economy
- About Coolgardie Regional Transformation Alliance (CRTA)
- Learnings and application for the communities of the Asia Pacific

Shire of Coolgardie is at the centre of one of Australia's largest mining, infrastructure, transport growth and fast becoming a Global Green Energy Hub.

The Shire of Coolgardie, known as the 'Mother of the Goldfields' is the most populous local government in the southern Goldfields of Western Australia.

Regional councils in Australia play an important role in the area of economic development, community education, employment and environmental protection.
