

Cooperation for Sustainable Development

GIZ continuous support to Philippine vision for sustainable transport systems

René Freytag | December 2024

Deutsche Gesellschaft für Internationale Zusammenarbeit (GIZ) GmbH

An active partner of the Philippines for sustainable development

Climate Action and Disaster Resilience
Low Carbon and Circular Economy
 (Energy transition, Energy Efficiency, Green Economy/Circularity, EST, Green Skills/Jobs)
Climate Resilience/ Disaster Risk Reduction
 (EbA, NBS, Access to CRI, DRR)
Cross-cutting (Climate Policy, Finance, Governance)

Biodiversity and Marine Conservation
 Blue Economy
 Coastal and Marine Biodiversity
 Ecosystem-based resource management
 Livelihoods
 Marine litter
 IUU

Peace and Development
 Peace and Security
 Governance, Human Rights
 Migration and Displacement
 Sustainable Supply Chains
 Jobs/TVET
 Health and Nutrition, WASH

Bilateral Approach

Country Calls

Interfaces

Thematic Approach

Thematic Calls

Small scale programs

Mitigation of
GHG
emissions

Adaptation to
the impacts of
climate change

Conservation
of natural
carbon sinks

Conservation
of biodiversity

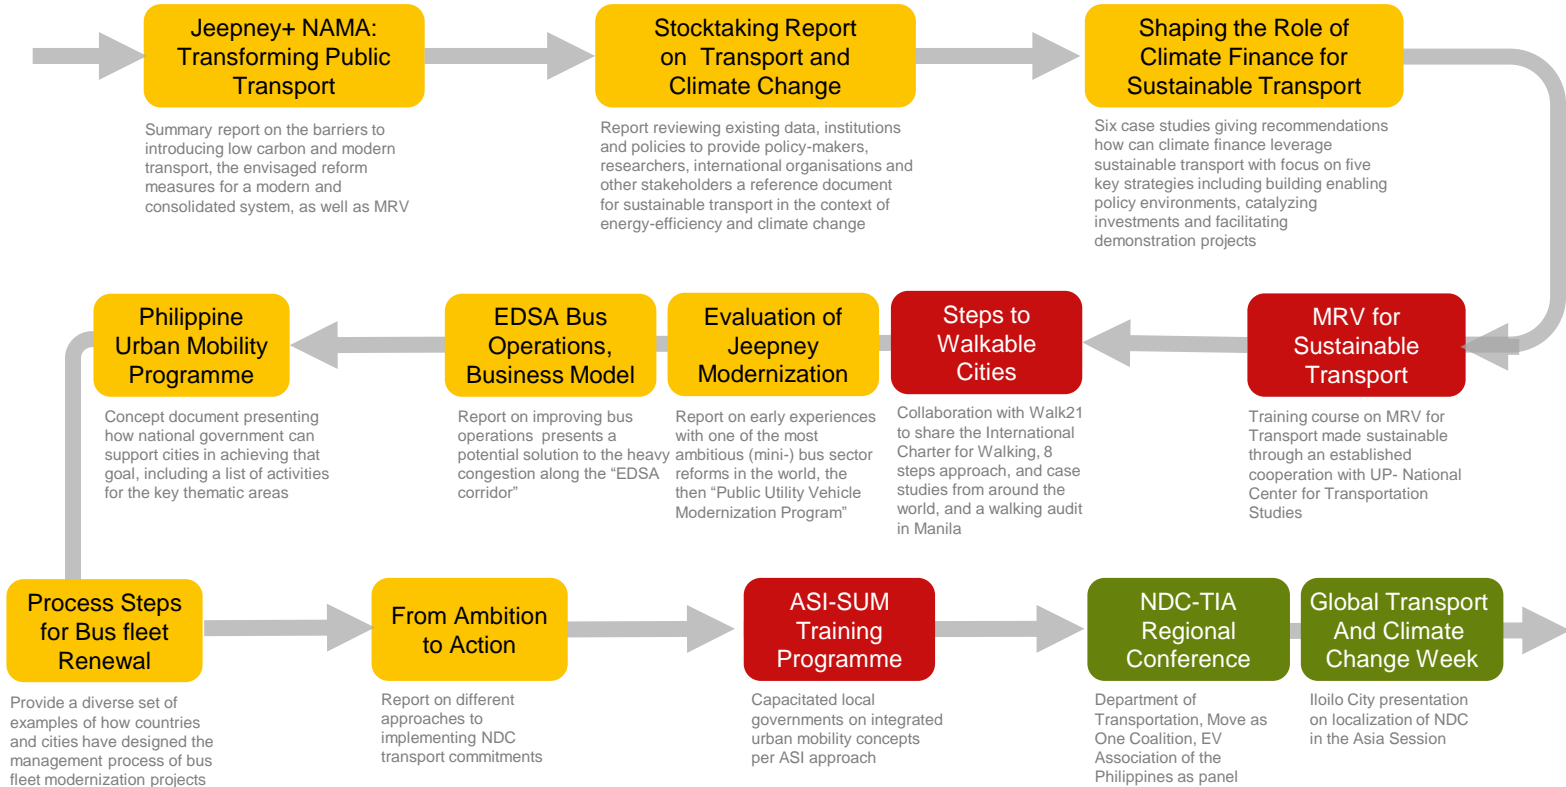

GIZ Philippines Transport Portfolio

Bi-lateral, regional or global transport and climate projects

Project Name	Geographical Scope	Commissioner
<u>Transformative Actions for Climate and Ecological Protection and Development (TRANSCEND)</u>	Philippines	IKI, BMWK
<u>Integrated Urban Climate Action for Low-Carbon & Resilient Cities (Urban-Act)</u>	Regional; China, India, Indonesia, Philippines , Thailand	IKI, BMWK
<u>Promoting Sustainable and Climate – Friendly Urban Mobility (SMMR)</u>	Regional; Association of Southeast Asian Nations (ASEAN)	BMZ
<u>NDC Transport Initiative for Asia</u>	Regional; China, India, Vietnam, Thailand, Philippines	IKI, BMWK
<u>Facilitating the development of ambitious transport mitigation measures (TRANSfer III)*</u>	Global; Indonesia, Peru, Philippines , Thailand	IKI, BMWK
<u>Transfer of climate-friendly transport technologies and measures (TRANSfer II)*</u>	Global; China, Indonesia, Colombia, Peru, Philippines , South Africa	IKI, BMWK
<u>Energy efficiency and climate change mitigation in the land transport sector in the ASEAN region (TCC)*</u>	Regional; Indonesia, Malaysia, Philippines , Thailand, Viet Nam	BMZ
<u>Sustainable Port Development in the ASEAN Region*</u>		BMZ
<u>Cities – environment – transport in the ASEAN region*</u>	Regional; Cambodia, Indonesia, Laos, Malaysia, Myanmar, Philippines , Thailand, Viet Nam	BMZ
<u>Support to the Philippines in shaping and implementing the international climate regime (SupportCCC II)*</u>	Philippines	IKI, BMUV

*Project has been concluded.

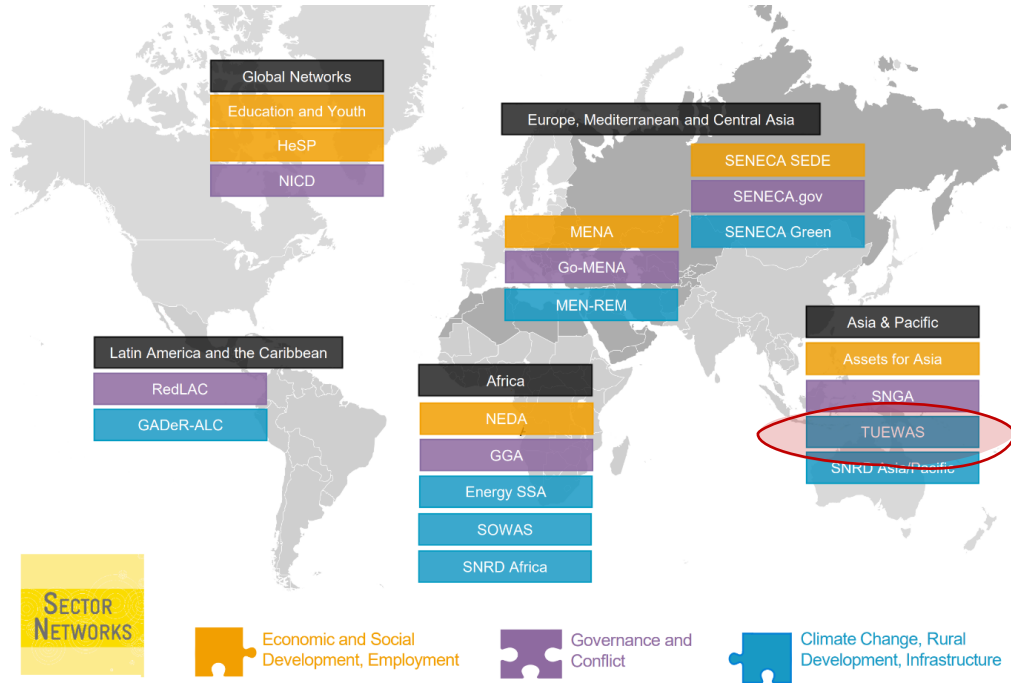

Support thru technical advices, capacity building, linkages, and exchanges

GIZ is promoting sustainable transport

Internal and external activities for a cause

Calendar of Activities

Bike Workshops
26 Nov 2024 (started, to continue)

7th IKI PH Networking Workshop
15 Jan 2025, Metro Manila

Transport NDC Workshops
Jan 2025 (kick-off), Metro Manila

MRV Validation Workshop and
Capacity Development Programme

Transition Dialogues (just transition
with focus on youth and women)

Gender x Transport Workshops and
Capacity Development Programme

Transport & Climate Change Week
23-26 Sept 2025, Berlin Germany

Thank you!
