Agreement

**Outcome document:
"The Future We
Want"
(Sustainable Transport)**

**30 Country UNGA
Open Working
Group on SDGs**

**"We note that transportation and mobility are
central to sustainable development.**

**Sustainable transportation can enhance
economic growth and improve accessibility.**

**Sustainable transport achieves better integration of the
economy while respecting the environment."**

Rio+20 Outcome Document

Our common vision

Renewing political commitment

Green economy in the context of sustainable development and poverty eradication

Institutional framework for sustainable development

Framework for action and follow-up

Means of Implementation

Rio+20 Framework for Action: 26 Thematic Areas and Cross Sector Issues

1. Poverty eradication
2. Food security and nutrition and sustainable agriculture
3. Water and sanitation
4. Energy
5. Sustainable tourism
6. Sustainable transport
7. Sustainable cities and human settlements
8. Health and population
9. Promoting full and productive employment, decent work for all and social protection
10. Oceans and seas
11. Small island developing States
12. Least developed countries
13. Landlocked developing countries
14. Africa
15. Regional efforts
16. Disaster risk reduction
17. Climate change
18. Forests
19. Biodiversity
20. Desertification, land degradation and drought
21. Mountains
22. Chemicals and waste
23. Sustainable consumption and production
24. Mining
25. Education
26. Gender equality and women's empowerment

Countries taking part in the EST initiative can make use of the goals set out in the Bangkok 2020 Declaration to implement the general objectives on sustainable transport set out in The Future We Want.
