Route 2 Forest in the City

Forest in the City

Forest in the City is scrap yard, Pa Nai Krung now becomes a “green park” with pedestrian overpasses traversing through the forest, a 360-degree observatory, a small museum and a mid-air garden. Let’s discover Pa Nai Krung — the “fairy” forest built from landfill of the Thai.

The forest in this city is covered with annual and perennial plants, which provide foliage like a natural forest.

Route 3 Wat Phra Kaew

Wat Phra Kaew or the Temple of the Emerald Buddha (officially known as Wat Phra Sri Rattana Satsadaram) is regarded as the most important Buddhist temple in Thailand. Located in the historic centre of Bangkok, within the grounds of the Grand Palace, it enshrines PhraKaewMorakot (the Emerald Buddha), the highly revered Buddha image meticulously carved from a single block of jade. The Emerald Buddha (Phra Putta Maha Mani Ratana Patimakorn) is a Buddha image in the meditating position in the style of the Lanna school of the north, dating from the 15th century AD.
